COMPANY PROFILE

ABOUT VERTEX FENCE

Vertex Fence is a leading name in the Middle East construction industry, delivering premium Fencing solutions, Steel Fabrication, Concrete Blocks, Fence Branding, and Construction Sign Boards or Advertising since 2024.

With state-of-the-art manufacturing facilities in **UAE**, we produce high-quality Fencing and Construction products that meet international standards. Our operations are ensuring excellence, reliability, and compliance in every project.

We specialize in advanced **Security Fencing Systems**, including ECO PVC Fence, PPGI Fence, Continuous Fence, Chain Link Fence, Cast Iron Fence, Aluminum Fence, and Customized Perimeter Protection Solutions designed for commercial, industrial, and infrastructure projects. Our products are engineered for durability, safety, and long-term performance, serving clients across the UAE.

At Vertex Fencing & Steel Ind. we don't just build fences — we deliver strength, security, and trust.

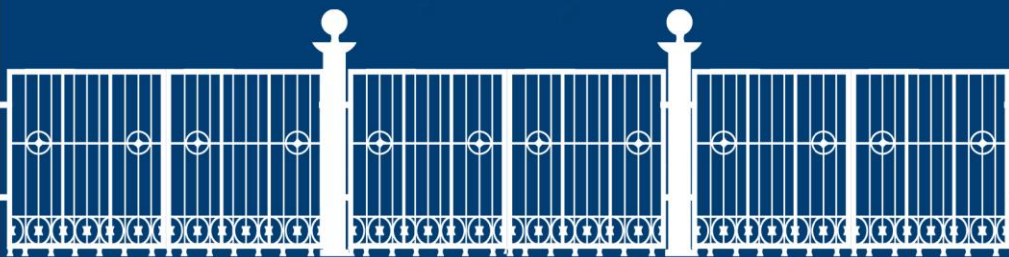

MESSAGE FROM THE CEO

At Vertex Fencing & Steel Ind. LLC, we believe that a fence is more than just a boundary — it is a statement of strength, security, and sophistication. Our mission is to deliver premium fencing and steel solutions that blend durability, elegance, and precision engineering.

Over the years, we have built a reputation for excellence by focusing on superior materials, meticulous craftsmanship, and professional installation services that meet the highest standards. Whether it's a luxury residential property, a large-scale industrial project, or a landmark commercial development, our commitment remains the same: to create secure environments with enduring quality and architectural distinction.

As we continue to innovate and expand, our vision is to set new benchmarks in the fencing and steel industry, providing solutions that combine safety, aesthetic appeal, and reliability. At Vertex, every project reflects our promise — strength you can trust, elegance you can see.

Thank you for trusting us to safeguard your spaces and elevate their value.

OUR MISSION

To deliver superior fencing and steel solutions that combine strength, security, and refined craftsmanship.

We are committed to providing high-quality materials, precision engineering, and professional installation services that exceed client expectations. Through innovation, integrity, and attention to detail, we aim to create secure environments built on reliability and long-term performance.

OUR VISION

To be a trusted leader in premium fencing solutions, recognized for innovation, durability, and uncompromising quality across residential, commercial, and industrial projects.

OUR CORE VALUES

- ✓ Quality Without Compromise
- ✓ Engineering Excellence
- ✓ Customer-Centric Approach
- ✓ Integrity & Transparency
- ✓ Timely Execution
- ✓ Continuous Improvement

Our Signature Fencing Solutions

1. ECO PVC Fence

Sustainable. Elegant. Enduring.

Our premium ECO PVC fencing (Plastic Hoarding) systems offer exceptional durability, weather resistance, bear strong wind pressure and a flawless finish — ensuring long-term performance with minimal maintenance.

2. PPGI Temporary Fence

Strength with Professional Presence.

Manufactured from high-grade Pre-Painted Galvanized Iron (PPGI), our temporary fencing Solutions provide secure, durable, with clamp & support and visually professional site protection for construction and event environments.

3. Continuous Fence System

Seamless Security. Superior Integrity.

Designed for maximum perimeter protection, our continuous fencing systems provide structural consistency and enhanced security for industrial, commercial, and high-risk facilities.

4. Chain Link Fence

Versatile. Secure. Economical.

Our chain link fencing systems provide reliable perimeter security with excellent visibility and airflow. Ideal for industrial sites, warehouse, sports facilities, and commercial properties, they deliver durability and cost-efficiency without compromising strength.

5. Anti-Climb Fence

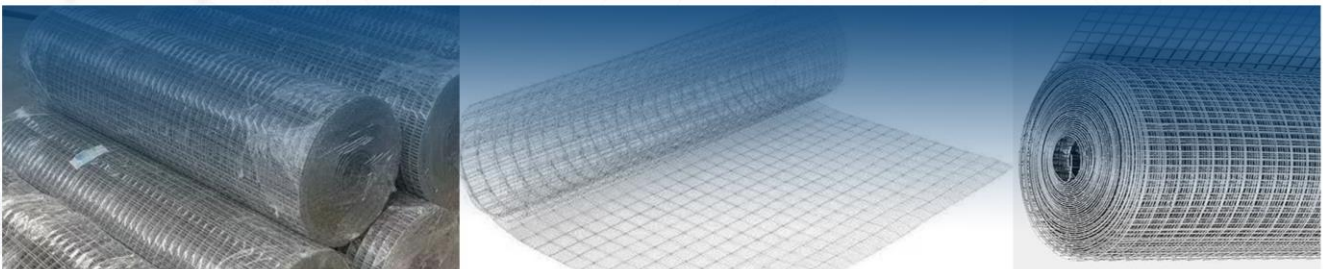

Maximum Security. Intelligent Design.

Engineered with narrow mesh apertures to prevent intrusion and footholds, our anti-climb fencing systems offer advanced perimeter protection for high-security areas, government facilities, and critical infrastructure projects.

6. Welded Mesh Fence/Heras Fence

Strength with Structural Precision.

Manufactured using high-tensile welded wire panels, this system provides robust security, clean alignment, and long-term durability — ideal for commercial complexes, factories, and institutional properties.

7. Cast Iron Fencing

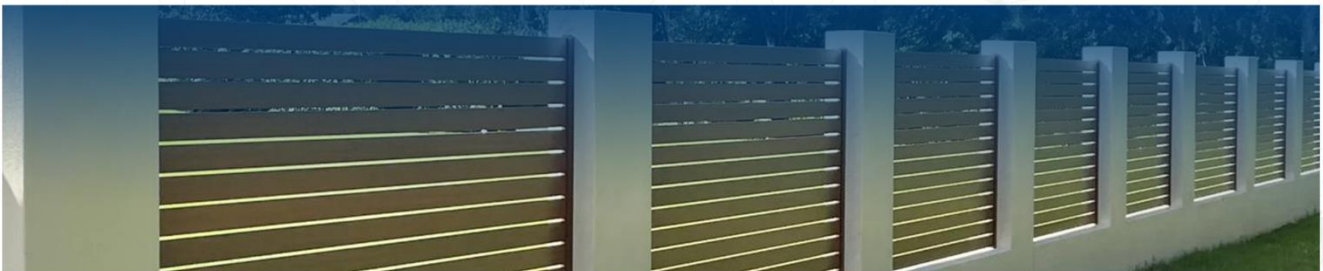

Timeless Strength. Classic Sophistication.

Our cast iron fencing solutions combine traditional elegance with unmatched durability. perfect for villas, estates, and prestigious developments, each installation reflects superior craftsmanship and architectural refinement.

8. Aluminum Fencing

Modern Design. Lightweight Excellence.

Engineered for corrosion resistance and lasting performance, our aluminum fencing systems provide contemporary aesthetics with minimal maintenance requirements.

9. Project Signboards

Professional. Prominent. Durable.

We design and fabricate premium project signboards that enhance site visibility while reflecting brand credibility and excellence.

10. Bespoke Fencing Gates

Precision-Crafted. Distinctive by Design.

- ▶ Sliding Gates
- ▶ Swing Gates/Single Leaf/Double Leaf
- ▶ Manual & Automated Gate Systems
- ▶ Custom Steel Fabricated Gates

Each gate is engineered for seamless integration, operational reliability, and architectural harmony with your fencing system.

11. RCC Blocks

The Foundation of Strength.

At Vertex Fencing & Steel Ind. LLC, we understand that every strong boundary begins beneath the surface. Our RCC (Reinforced Cement Concrete) Blocks are engineered to provide a solid, durable, and long-lasting foundation for all types of fencing systems and project signboards.

The Vertex Commitment

- ✓ Premium-Grade Materials
- ✓ Advanced Fabrication Technology
- ✓ Skilled Installation Specialists
- ✓ Tailor-Made Engineering Solutions
- ✓ Timely Project Delivery
- ✓ Uncompromising Quality Assurance

We manage every phase — from consultation and manufacturing to professional installation — ensuring flawless execution and complete client satisfaction.

CRAFTING SECURE ENVIRONMENTS WITH DISTINCTION

At Vertex Fencing & Steel Ind. LLC, we do more than construct fences — we create enduring boundaries that represent strength, sophistication, and trust.
